7. Understanding of biochemical, histo-pathological, radiological, ultrasound investigation.

o **Integration** Student should have integration of clinical skills, disciplines, bring about coordination of family welfare programmes.

□ **FACILITIES IN THE DEPARTMENT**

o **OPD Department**

1. OPD services on daily basis is provided on first floor of our hospital. It has daily opd of 90-100 patients. In the opd there is a separate room for

□ Examination of pregnant woman Examination of gynec patient Ultra sonography Colposcopy

2. Post partum unit

□ It is situated on ground floor. It runs mamta clinic and adolescent clinic. It provides family planning services.

□ **Obstetric Department**

o • Comprehensive MCH service is delivered at our hospital.

o • We have indoor capacity of 25 beds, well equipped labour room, USG room, intensive care unit, general / special rooms, obstetric OT, Separate septic OT.

o • Department has annual delivery rate of 2800-3000 with approximately 20-25% caesarian section.

o • Offices are for teaching and paramedical staff.

□ **Gynecology Department**

o It is established on the first floor of the hospital.

o Family planning ward is at ground floor.

o We have total capacity of 20 beds.

o Department has well equipped gynec and endoscopy operation theater.

o Department has seminar hall with and internet facility

SUBJECT CURRICULUM

Methodology:

No.	Particulars	Details
1	Total duration of clinical posting	Yes
2	Demonstrations	Surgical instrument, surgical procedures, FP procedures for ex. – Cu T insertion, TL operation
4	Tutorials	Unit wise posting
5	Seminars conducted during the year	Yes
6	Practicals	Demonstration of specimens and minor procedures for ex. – catheterization, iv cannula, episiotomy
7	Duration of operation theater posting	Unit wise posting
8	Duration of labour posting and no. of	20 cases

	cases observed and conducted by students	
9	Bed side clinics	Yes
10	How many hours does a student spent daily in ward for clerkship ?	3 hrs daily during clinical posting
11	Average no. of student posted for OPD/Indoor	15 – 20
12	Do students write case histories and delivery notes in a prescribe book ?	Yes, 20 case history each for antenatal cases
13	Are they corrected ?	Yes
14	If so, by whom ?	Assistant prof.
15	Is the clinical work done in ward by student assessed periodically ?	Yes
16	If so, how often and whom ?	Weekly by senior staff members
17	Total period of attendance in OPD by student throughout the clinical posting ?	Unit wise posting
18	Is it done with the in patients ward posting ?	Senior staff member
19	Who gives the training to attend the casualties ?	Senior staff member
20	How is the out patient teaching organized ?	In OPD clinic teaching room
21	Do Students attend clinico-pathological conferences ?	Yes
22	If so, on an average how often during the whole period of posting ?	Unit wise posting
23	Any other teaching activities ?	Yes, Video cassetts
24	Is there any integrated teaching ?	Yes, as per curriculum
25	Records : Method of assessments (Time table for lectures, demonstrations, seminars, tutorials, practicals OPD/Indoor posting may be given)	Case presentation, History taking, Antenatal and delivery cards, presence during posting
26	Internship training programme	
	(a) Period of posting in departmnet	2 months (Obst. & gynec, FP)
	(b) Method of assessment of Internship (attach copy of logbook)	As above
