DATE:- 07/07/2026

TOR

- Coordination: Serve as the day-to-day operational head of the project, coordinating between the PI, Project Research Scientist, Field Investigators, and participating TI sites.
- Ethical compliance: Ensure informed consent procedures, participant confidentiality, and other ethical requirements are followed uniformly across all sites, and liaise with the Ethics Committee as required.
- Data analysis: Lead quantitative analysis in SPSS and qualitative thematic analysis using the Framework Method, integrating both to build a comprehensive understanding of barriers, facilitators, and associated factors.
- Report and manuscript writing: Lead preparation of the comprehensive study report, the policy brief for RSACS/NACO, in consultation with the PI.

How to Apply
